Subiect: International Competition of Student Scientific Works "Black Sea Science"

Dear colleagues!

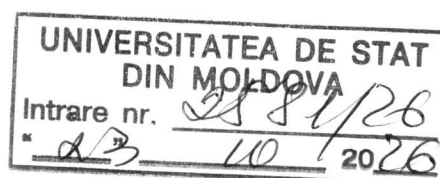

It is my pleasure to invite the students of your institution to participate in the International Competition of Student Scientific Works "Black Sea Science 2027", which is held on the initiative and on the basis of Odesa National University of Technology under the auspices of the Ministry of Education and Science of Ukraine, as well as the Black Sea Universities Network (BSUN) and ISEKI-Food Association. The competition is held in order to improve international cooperation between educational institutions and attract students to scientific research. The International Competition of Student Scientific Works "Black Sea Science 2027" is held in the following fields:

1. Food science and technology;
2. Economics and administration;
3. Information technologies, automation and robotics;
4. Power engineering and energy efficiency;
5. Ecology and environmental protection;
6. Tourism, hotel and restaurant business.

The works should be submitted until **February 1, 2027**. The authors of the best scientific works will be invited to participate in the online conference to present and discuss their work. Participation in the competition is free of charge.

More detailed information can be found on the official web-site
